

# OPAC Searching Practice Sheet #1

You are a librarian helping a patron find information located in your library.

Find material for each of the following requests. For each request, **circle the keyword(s)**, then write how many results you came up with, and the title and call number of the material you would choose for the patron you are assisting.

1. "I'm researching the planet Saturn."

# Results	Title	Call Number

2. "I would like a book by Kate DiCamillo."

# Results	Title	Call Number

3. "I would like a ghost story."

# Results	Title	Call Number

4. "I would like a book of poetry."

# Results	Title	Call Number

5. "I would like the book **The Lorax** by Dr. Seuss"

# Results	Title	Call Number

6. "I would like to improve my math skills."

# Results	Title	Call Number

7. "I would like to read another book by Roald Dahl."

# Results	Title	Call Number

8. "I would like a book of fairy tales."

# Results	Title	Call Number
